BALL AND TRACK GOSSIP

The Senators Are Off on Their First Western Trip.

There will be no championship game, according to the schedule, in this city until Friday, July 20, when the Baltimore team will occupy the attention of the Senators. The three games scheduled for this city with Pittsburgh for the first three days of this week have been transferred to that city. This was no doubt a wise move from a financial standpoint, as the Pittsburgh would have been at a big expense to come here for three games and then jump back again. As the magnates are in the business for what money is in it, it is only reasonable that they should manipulate matters in such a way as will lessen the expense, which are always heavy in traveling.

Judge Oyster Determined to Have Honest Racing at the Track on the Island—The Work of Starter Cassidy—Probable Starters in the Sheephead Bay Handicap.

The Washingtons start on their Western trip in fairly good condition, and if they can keep their hitting ability and show an improvement in their field and team work it is only fair to presume that they will be in a better position in the last division. This is the best that can be hoped, and if they go beyond what is expected they will certainly receive a round of applause on their return home. It is said that Captain Joyce will resume playing shortly, and his presence on the team will at once restore confidence. This was made patent on Friday, when he was on the coaching lines and the team won.

Before returning home they will play three games each with Pittsburgh, Cincinnati, St. Louis, Chicago, Cleveland, Louisville and New York. It will be seen that the Senators have hard work ahead, and if they are to win they will have to show themselves proud. They can do this easily if they will put ginger in their play and hustle as their teams do.

The Western fans will not doubt be surprised at the hitting ability of the team, and will wonder why they are so far down in the list. The many thousands of readers of the Times will be kept informed of every move the club is doing by a concise report of the game, and that they will be pleased to read of the success of the club. The Times wishes the Senators success and hopes to chronicle many victories.

Presiding Judge Oyster is apparently sincere in his desire to have honest racing at the Alexandria Island course, and several times during the past week he cautioned jockeys to ride to win. Oyster is a small, round man, an owner can often make more money by pulling than winning, and it is just such crooked business that the judges have to look out for. Any suspicious riding or undue change of form should be investigated and no leniency shown the offenders. If using every effort to give the public a legitimate sport, the patrons of the track will show their appreciation. One or two races last week had a suspicious look, but there was no investigation.

It would please the general public as well as the regular visitors to the course if a long distance race should be run on the card for the Fourth of July. A mile and a half race would, without doubt, be a big attraction and bring out several thousand people on the national holiday. From the style in which Prince Albert went two and one-quarter miles on Saturday no doubt he would be eligible for such a race. A number of the owners at the track would no doubt be willing to start.

Now that the baseball club has gone away and the track is quiet, it is likely that the attendance at the track commencing today a train will leave for the course at 1:40 o'clock, which will land visitors ten minutes early to the track. The weather is so much better than it was a few days ago, and the weather, while the betting has been extremely good. From reports from the bookmakers it would appear that the public is in the mood for a meeting, but there are few individuals who admit being ahead of the game.

Starter Cassidy has been doing alternately good and bad with the flag, and in the second race on Saturday he was so unfortunate as to send Anderson off six lengths in front of Headlight, the latter three lengths before Red Fox. As a result, the balance of the field had no show and the starter naturally came in for a good deal of harsh criticism.

As the result of a conference held between heat waves at the Coney Island Jockey Club's clubhouse Saturday afternoon, the projected Morris-Dwyer meeting for Morris Park, July 1, was declared off. Just what influence was brought to bear by the jockey club in order to avert a date clash has not been made public. The opposition to Coney Island, however, was so far as to issue a programme offering \$25,000 in purses as an inducement to horsemen to leave the Bay for the national holiday. Free riding was the only condition attached to the promised stakes. Brighton Beach made strenuous objection against the one day programme, but it is said that no head was paid the Englewood crowd.

The weights for the Sheephead Bay Handicap, at a mile to be run at Coney Island, are as follows: Knappe, 125 pounds; Lampighter, 125; Banger, 125; Clifford, 125; Don Atomo, 125; 126; 127; 128; 129; 130; 131; 132; 133; 134; 135; 136; 137; 138; 139; 140; 141; 142; 143; 144; 145; 146; 147; 148; 149; 150; 151; 152; 153; 154; 155; 156; 157; 158; 159; 160; 161; 162; 163; 164; 165; 166; 167; 168; 169; 170; 171; 172; 173; 174; 175; 176; 177; 178; 179; 180; 181; 182; 183; 184; 185; 186; 187; 188; 189; 190; 191; 192; 193; 194; 195; 196; 197; 198; 199; 200; 201; 202; 203; 204; 205; 206; 207; 208; 209; 210; 211; 212; 213; 214; 215; 216; 217; 218; 219; 220; 221; 222; 223; 224; 225; 226; 227; 228; 229; 230; 231; 232; 233; 234; 235; 236; 237; 238; 239; 240; 241; 242; 243; 244; 245; 246; 247; 248; 249; 250; 251; 252; 253; 254; 255; 256; 257; 258; 259; 260; 261; 262; 263; 264; 265; 266; 267; 268; 269; 270; 271; 272; 273; 274; 275; 276; 277; 278; 279; 280; 281; 282; 283; 284; 285; 286; 287; 288; 289; 290; 291; 292; 293; 294; 295; 296; 297; 298; 299; 300; 301; 302; 303; 304; 305; 306; 307; 308; 309; 310; 311; 312; 313; 314; 315; 316; 317; 318; 319; 320; 321; 322; 323; 324; 325; 326; 327; 328; 329; 330; 331; 332; 333; 334; 335; 336; 337; 338; 339; 340; 341; 342; 343; 344; 345; 346; 347; 348; 349; 350; 351; 352; 353; 354; 355; 356; 357; 358; 359; 360; 361; 362; 363; 364; 365; 366; 367; 368; 369; 370; 371; 372; 373; 374; 375; 376; 377; 378; 379; 380; 381; 382; 383; 384; 385; 386; 387; 388; 389; 390; 391; 392; 393; 394; 395; 396; 397; 398; 399; 400; 401; 402; 403; 404; 405; 406; 407; 408; 409; 410; 411; 412; 413; 414; 415; 416; 417; 418; 419; 420; 421; 422; 423; 424; 425; 426; 427; 428; 429; 430; 431; 432; 433; 434; 435; 436; 437; 438; 439; 440; 441; 442; 443; 444; 445; 446; 447; 448; 449; 450; 451; 452; 453; 454; 455; 456; 457; 458; 459; 460; 461; 462; 463; 464; 465; 466; 467; 468; 469; 470; 471; 472; 473; 474; 475; 476; 477; 478; 479; 480; 481; 482; 483; 484; 485; 486; 487; 488; 489; 490; 491; 492; 493; 494; 495; 496; 497; 498; 499; 500; 501; 502; 503; 504; 505; 506; 507; 508; 509; 510; 511; 512; 513; 514; 515; 516; 517; 518; 519; 520; 521; 522; 523; 524; 525; 526; 527; 528; 529; 530; 531; 532; 533; 534; 535; 536; 537; 538; 539; 540; 541; 542; 543; 544; 545; 546; 547; 548; 549; 550; 551; 552; 553; 554; 555; 556; 557; 558; 559; 560; 561; 562; 563; 564; 565; 566; 567; 568; 569; 570; 571; 572; 573; 574; 575; 576; 577; 578; 579; 580; 581; 582; 583; 584; 585; 586; 587; 588; 589; 590; 591; 592; 593; 594; 595; 596; 597; 598; 599; 600; 601; 602; 603; 604; 605; 606; 607; 608; 609; 610; 611; 612; 613; 614; 615; 616; 617; 618; 619; 620; 621; 622; 623; 624; 625; 626; 627; 628; 629; 630; 631; 632; 633; 634; 635; 636; 637; 638; 639; 640; 641; 642; 643; 644; 645; 646; 647; 648; 649; 650; 651; 652; 653; 654; 655; 656; 657; 658; 659; 660; 661; 662; 663; 664; 665; 666; 667; 668; 669; 670; 671; 672; 673; 674; 675; 676; 677; 678; 679; 680; 681; 682; 683; 684; 685; 686; 687; 688; 689; 690; 691; 692; 693; 694; 695; 696; 697; 698; 699; 700; 701; 702; 703; 704; 705; 706; 707; 708; 709; 710; 711; 712; 713; 714; 715; 716; 717; 718; 719; 720; 721; 722; 723; 724; 725; 726; 727; 728; 729; 730; 731; 732; 733; 734; 735; 736; 737; 738; 739; 740; 741; 742; 743; 744; 745; 746; 747; 748; 749; 750; 751; 752; 753; 754; 755; 756; 757; 758; 759; 760; 761; 762; 763; 764; 765; 766; 767; 768; 769; 770; 771; 772; 773; 774; 775; 776; 777; 778; 779; 780; 781; 782; 783; 784; 785; 786; 787; 788; 789; 790; 791; 792; 793; 794; 795; 796; 797; 798; 799; 800; 801; 802; 803; 804; 805; 806; 807; 808; 809; 810; 811; 812; 813; 814; 815; 816; 817; 818; 819; 820; 821; 822; 823; 824; 825; 826; 827; 828; 829; 830; 831; 832; 833; 834; 835; 836; 837; 838; 839; 840; 841; 842; 843; 844; 845; 846; 847; 848; 849; 850; 851; 852; 853; 854; 855; 856; 857; 858; 859; 860; 861; 862; 863; 864; 865; 866; 867; 868; 869; 870; 871; 872; 873; 874; 875; 876; 877; 878; 879; 880; 881; 882; 883; 884; 885; 886; 887; 888; 889; 890; 891; 892; 893; 894; 895; 896; 897; 898; 899; 900; 901; 902; 903; 904; 905; 906; 907; 908; 909; 910; 911; 912; 913; 914; 915; 916; 917; 918; 919; 920; 921; 922; 923; 924; 925; 926; 927; 928; 929; 930; 931; 932; 933; 934; 935; 936; 937; 938; 939; 940; 941; 942; 943; 944; 945; 946; 947; 948; 949; 950; 951; 952; 953; 954; 955; 956; 957; 958; 959; 960; 961; 962; 963; 964; 965; 966; 967; 968; 969; 970; 971; 972; 973; 974; 975; 976; 977; 978; 979; 980; 981; 982; 983; 984; 985; 986; 987; 988; 989; 990; 991; 992; 993; 994; 995; 996; 997; 998; 999; 1000.

SUNDAY OPENING QUESTION

Leading Clergymen Freely Express Their Views Upon It.

Interest of the Working People Considered. One Day in Seven Needed for Rest—Respect Due the Sabbath Should Not Be Forgotten—Opportunity for Recreation.

Shall the Smithsonian Institution, the Capitol, Public Library, and the museums and other public institutions be closed on Sunday to the public on Sunday? That is a question upon which there is a wide divergence of opinion. The Times has obtained the views of the following citizens, all but one of whom are clergymen, which will no doubt be read with deep interest by the general public.

S. C. WILLIAMSON, president of the Y. M. C. A. of the District, said: "My general impression is against it, viewed in the interest of the working people themselves. I am of the opinion that as a people we are getting too far away from a proper observance of the Sabbath. It is an entering wedge that will lead to throwing open all departments for transaction of business. We are tending in the direction of a weekly half holiday, anyhow, besides there are times when working people can visit the institutions during the week. I am favorable to the working people, and I think it is to their interest from a religious standpoint to have the Sabbath properly observed. I should prefer to advance the sentiment in favor of a half holiday every week to give workers an opportunity for recreation when they can get the departments if they desire. Works of mercy and works of necessity are all that should be done on the Sabbath. The experience at the World's Fair should be opened on Sunday demonstrates my position on this subject."
